experts with strong
international networks,
linking research and industry

#hydrogen innovation

One of six ACHEMA 2024 Innovation Themes

#hydrogen innovation

INNOVATION SPOTLIGHTS

- ⚙️ Designing the hydrogen ecosystem
- ⚙️ Hyperscaling production and infrastructure
- ⚙️ Innovations for handling, transport and storage of hydrogen
- ⚙️ Power-to-X, industrial applications and sector coupling

ACHEMA 2024
10-14 June 2024
Frankfurt am Main, Germany

Special Show Hydrogen

Hyperscaling hydrogen production and infrastructure is one of the key enablers for a clean energy transition. Global projects are emerging so it is high-time to smart-up, gear-up and team-up at the world forum and leading show for process industries.

Hydrogen - Embedded in all aspects of ACHEMA 2024

Congress

H₂

SPECIAL
SHOW

Highlight Session Hydrogen at ACHEMA 2022

From Research to application

ACHEMA Congress Profile

- ⚙️ Process Technology researchers, developers and users
- ⚙️ Daily Highlight Sessions on Key Challenges (incl. Hydrogen)
- ⚙️ 663 congress contributions for ACHEMA 2022
- ⚙️ 20.779 congress visitors during ACHEMA 2022

Hydrogen Topics at ACHEMA Congress 2024

- ⚙️ Hydrogen production, handling, transport and storage
- ⚙️ Power -to-X processes, industrial applications, sector coupling
- ⚙️ Water -for-X, Industrial Water Management

Call for Papers open until October 6th!

Live Stages

H₂

SPECIAL
SHOW

Siemens Hydrogen Innovation Stage

Panel Discussion on SIEMENS Digital Innovation Stage during ACHEMA 2022

Dedicated Live Stage Programme

- ⚙ Five days of exciting key notes, case studies and discussions
- ⚙ Located right within the special show exhibition space
- ⚙ Moderator: Ulrich Walter
- ⚙ Sponsors include Siemens, EY, KSB, Aucotec, Festo
- ⚙ Further Gold and Silver Partner sponsorships available

Content curated by DECHEMA

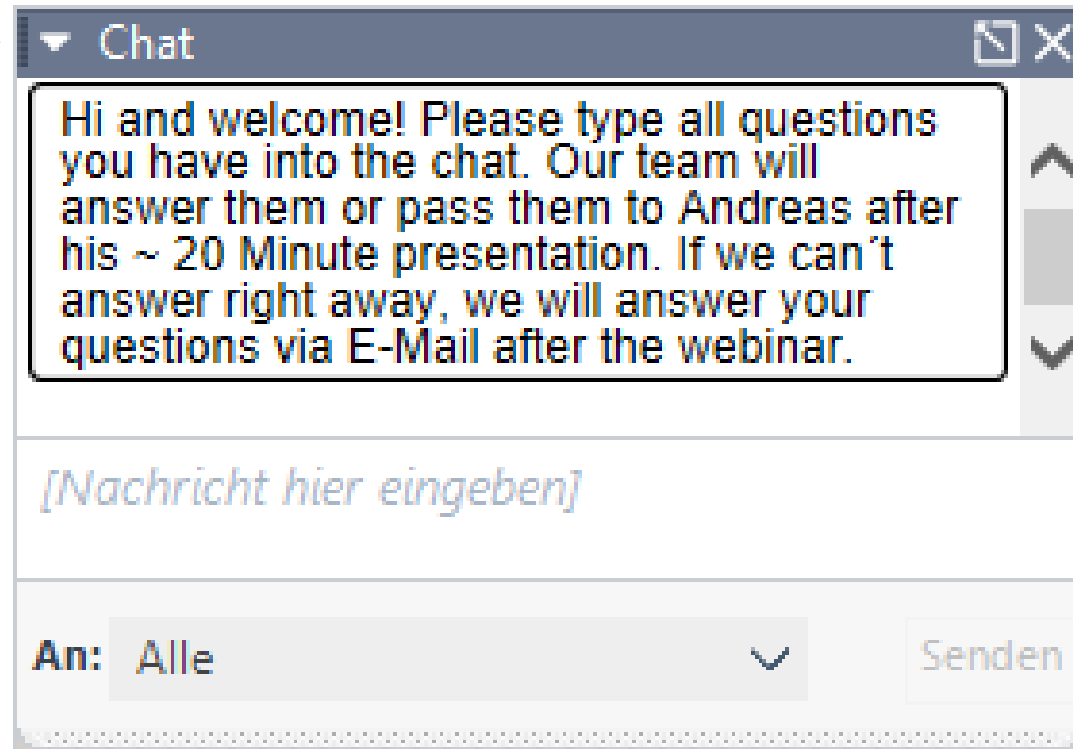

- ⚙ Designing the hydrogen ecosystem
- ⚙ Hyperscaling production and infrastructure
- ⚙ Innovations for handling, transport and storage of hydrogen
- ⚙ Power -to-X, industrial applications and sector coupling

Innovation Partnerships come in four exclusive Levels

	Best for	Exclusivity	Key Features	Hydrogen Innovation Partners AICHEMA 2024
PLATINUM	Domain Champions	1 per theme (only exhibitors)	Stage name + visibility	SIEMENS
GOLD	Leading Brands	4 per theme (open access)	90 minutes + social media	EY KSB   
SILVER	Rising Stars	8 per theme (open access)	30 minutes + ad bundle	Aucotec    Festo   
OFFICIAL	NGO and Media	12 per theme (open access)	Logo partner	JOIN NOW!
